Message from the Chairpersons:

DeColores!

The phrase "It takes a Village...." Is commonplace and so true. We each know that we cannot "DO" Life alone! In addition to our God, and our nucleus family, we need support and love from our communities – that is our neighbors, our church parishioners, our fellow Cursillistas, and our friends. In order to feel that we are loved we need to share our love with those we meet in our everyday lives on our spiritual journeys. Cursillo is all about God's love and sharing that love generously on a renewed, refreshed spiritual journey. Cursillo does take a Village, a Village with Intention...Led by The Holy Spirit. There are many aspects that need to come together to allow us to help make Cursillo a special long-lasting gift of love to the newest Cursillistas. From the awesome Cursillo Weekend to the Re-Gathering Ultreyas, it takes many –it takes all of us! It takes your personal attention, your love, your sacrifice, your gifts. To help make Cursillo more available to others, the CVCC is trying new ideas. One of these ideas occurred a couple years ago when we flipped the timing of the men's and women's weekends. Men's are now held in April & October and Women's are held in February & July. Our hope is that this timing change will enable more female teachers to attend Cursillo weekends. Another idea was to hold the 2019 October weekend at another site - St. John's in Dinwiddie. Over time our weekends have been held at a variety of places to include the Abbey, Shalom House, and Sacred Heart in Prince George. We are a mobile society and go off to various cities, states and countries to shop, eat, vacation and sightsee. There has been and should never be any amount of time or distance that will preclude us from making the extra effort that is required to hold a Cursillo Weekend anywhere. It is not like we are moving to one of the sites mentioned above or must make these trips by ourselves. Carpooling is always an option and sometimes it's even a "Joy" ride! Please continue to support all of the aspects of Cursillo – from serving on a Team (Please update your contact information on the CVCC website.), Sponsoring a Candidate, Attending Openings and Closings, Providing a Personal Scholarship, to Helping with Weekend Meals, Agape, Palanca, Mananitas, Books for Sharing, and Set-up and Clean-up at the Closings. It does take a Village and this Village includes You. Please know that You are very important to the success of this Evangelization movement. We each need to Re-energize Cursillo by renewing our efforts and commitments in our 4th Day! Even the newest Cursillista can participate in most aspects of Cursillo and are encouraged to co-sponsor a candidate in their first year as a Babe Chick. If anyone is interested in helping with any aspect of Cursillo, please let us know and we will put you in contact with another Cursillista who is experienced in this area and would welcome your assistance and enthusiasm.
