

CURSILLO MOVEMENT - DIOCESE OF RICHMOND

General Information for the applicant: Weekend time of arrival: *Thursday 7:30 PM*

Weekend time of departure: *Sunday about 6:00 PM*

Cost: **\$250.00** per person, double occupancy, is the cost of the Cursillo Weekend. This covers meals, lodging, and supplies. **Additional costs are required if single occupancy is required.**

To ensure a place on the roster, a deposit of \$75.00 must accompany this application. All fees are cash or check, no electronic transfers (checks payable to *The Central Virginia Cursillo Center, or CVCC*).

The balance is due on or before Thursday of the Cursillo. Scholarships are available. If required, the sponsor should provide a brief written justification with this application.

If for some reason you are unable to attend, your application will be automatically carried over to the next scheduled weekend unless instructed otherwise. If, however, you must cancel a second time, your application will be returned and may be resubmitted when you are better able to attend. A refund of tuition paid (less the deposit) may be obtained by a written request to the Precursillo Coordinators.

Work closely with your sponsor. Discuss your expectations. Together, complete and return the next page with a deposit to the Precursillo Coordinators listed below.

Important: A Cursillo Weekend is an active event. Back problems, diabetes, sleep apnea, special diet, most mental conditions, or physical handicaps do not present an impediment to fruitful participation in a Cursillo Weekend. However, the sponsor is responsible for assuring this information is on the application and assisting the candidate with whatever special equipment or food as needed. The applicant and sponsor are primarily responsible for transporting equipment and managing diet and medications, but assistance may be available upon request. Please inform your sponsor of such special needs and list on the application any of which we should be aware.

COVID Guidelines:

The Cursillo weekend will follow the latest CDC Guidelines as a minimum. Should individuals choose to go above and beyond the CDC guidelines (i.e. wearing a mask at all times), they will be fully supported in their efforts, out of love for your neighbor, fellow candidates, and team members.
